The bride wore a gown of white crepe and lace and instead of the conventional tulle veil wore a smart white satin hat. Her only attendant was her younger sister, Miss Clara Poore. Leon Poore, brother of the bride, was the best man for Mr. Poloni.

Mrs. Bosworth was formerly Miss Florence Clarkson of this city, and they are now making a short visit to Mrs. Bosworth's parents, Mr. and Mrs. Joseph Clarkson of Kentucky avenue. They will leave shortly for their new home in Pennsylvania and, en route, will make an indefinite stay at Mr. Bosworth's old home in Pittsburgh, Pa.

A midsummer wedding of interest to many Washingtonians will take place today at Cold Spring, Ky., where Miss Frances Dietrich and Lieut. George Huber Gardner, U. S. A., will be married at the home of the bride's parents, Mr. and Mrs. Dominick Dietrich, at Port Thomas, who will follow the ceremony. The bride and bridegroom will leave this afternoon for the first stage of their wedding journey, which is to end at the bridegroom's new station in the Philippines. Lieutenant Gardner until recently was stationed at Port Thomas.

Former Senator and Mrs. Chauncey M. Depew, who were supposed by their Washington friends to be in England, are believed now to be in Switzerland. Senator and Mrs. Depew returned to the Continent several weeks ago, and on July 30 arrived at the Grand National, Geneva. From there they proposed going to Aix-les-Bains to remain until the last week in August.

Former Senator John M. Spooner also arrived in Geneva last of July, prior to leaving for Europe. He is expected to pass a month in Switzerland.

NEW YORK, Aug. 12.—Secretary of the Treasury McAdoo notified the North American Grain Export Association today that he would meet with its members in New York on Friday to thresh out the problem of getting grain to Europe.

Scores of big exporters of wheat contacted weeks ago to furnish various interests in England and on the Continent with wheat at the market price.

Since then grain has gone up by leaps and bounds on account of the war, owners of vessels are withdrawing ships from trade, and the insurance has risen to an exorbitant figure. Unless the Government can aid by furnishing cheap and assured transportation, the grain exporters face heavy losses.

A meeting of exporters, scheduled for this afternoon to discuss ways and means, was postponed to await Secretary McAdoo's conference.
